OUTDOOR SUMMER PARTY

OUTDOOR SUMMER PARTY

"Luisa - I am beyond pleased. The food, the staff, everything – exceeded my expectations and received rave reviews all around. Even my very picky EX-mother-in-law was impressed, and that is NOT easy. Thank you very, very much. Your staff was courteous, efficient and a pleasure to work with. I would be very pleased to recommend you to anyone who asks and hope I have occasion to work with you again in the future."

- Diane S., Ardsley, NY

"I would first like to say a sincere thank you to you for working with me. From putting up with my million questions, trying to accommodate all my requests, I truly appreciate all of it. All of it helped us give our daughter a beautiful party. I have received phone calls all day from our guests telling us how delicious and beautifully done everything was and couldn't agree more

We had a wonderful time yesterday. The food was simply outstanding and all of it turned out perfect! It was a great assortment of choices and everyone absolutely loved it. The cake was absolutely GORGEOUS! I was so sad to have to cut it! It was equally as delicious.

The service the girls provided was excellent in every way. They were extremely helpful, very professional, neat and organized. It was the best service I have experienced and well worth it!"

- Gina R., Pelham, NY

"I can't thank you enough for the absolutely wonderful food and service last night. My husband and I were extremely pleased and would undoubtedly utilize your services the next time we have an event. I would go further to say that if you ever need a recommendation, please feel free to use me as a reference. The food was outstanding and I received a number of comments from my guests about how delicious everything turned out. And as for the service, it was by far outstanding. They came in quietly, got to work, took care of every detail (even things I hadn't thought of myself) and cleaned up amazingly well. So thank you."

- Claudia F., Pelham, NY

CHILDREN'S BIRTHDAY PARTIES ('CARS' THEME)

CHILDREN'S BIRTHDAY PARTIES ('FROZEN' THEME)

ADULT'S BIRTHDAY PARTIES ('BEER' THEME)

"It was an absolute pleasure working with Maria Luisa. The hard work and attention to detail that she and her staff put in to my son's Communion party was extremely impressive. Everything from the centerpieces to the passed hors d'oeuvres to the amazing roasted pig (absolutely stunning how they presented the pig!) to the desserts! Just absolutely perfect! The wait staff did an amazing job having everything move smoothly from one course to the next! My guests (all 180 of them) loved everything. I have been getting emails and text messages from people saying how wonderful and successful the party was. It was due to you all their hard work that the party came off so phenomenal! Not only was the presentation of the food and the decorations visually appealing but the food tasted incredible! I will definitely be using them again and will recommend them to anyone looking to throw an amazing, unforgettable party, no matter how small or big - they can handle it!"

ENGAGEMENT COCKTAIL PARTY (UPSTAIRS ARMONK DINING AREA)

"The food was out of this world. Everyone loved it. The Sushi was fantastic. I think you're going to get new clients. A lot of people wanted to know who did the food. I have to say, it was the best catering I have seen at a private home. Your staff was so professional. They met and exceeded any expectations. I would have them at my home anytime."

- Darren M., Harrison, NY
